

Society of Robotic Surgeons 2019

Investment Conference

Session Chairs: Dr Vipul Patel, Avi Raval, Fred Moll, Mohan Nathan, Amit Vohra

Faculty: Amit Vohra, Amit Hazan, Mohan Nathan, Darla Hutton, Daniel Kim, Ryan Rhodes, David McNally, David Herman, Raj Toletti, Antal Desai, Arjun Desai, Mike Liang, James Rogers, Neeraj Agrawal

Jun 22

Time	Session	Participants
8:00am	Purpose of Investment Session	V. Patel, Surgeon, Florida Hospital
8:10- 9am	Overview of Medical Robotics and Investment Universe Moderated Panel: The Investor Perspective: Perella Weinberg, CPMG, Baird Capital, Endeavour Capital, Citibank, D1 Capital, Crescent Group, T Rowe	A. Raval, Managing Director Advisory, Perella Weinberg Partners Amit Hazan, Analyst Citigroup
9 to 9:30am	Lessons Learned from the Trenches Moderated discussion on successfully building and growing companies, and the future opportunities in robotics	Fred Moll, MD
9:30 to 10:15am (45 mins)	Companies Part 1: Current and Emerging Companies in Surgical and Medical Robotics: What is the Landscape? 5-minute statement per company. Questions asked of participating companies. Q&A	Intuitive Surgical, Medtronic, Verb, Medrobotics, Transenterix, Titan, CMR, Meere Company
10:15am- 11am (45 mins)	Companies Part 2: Current and Emerging Companies in Robotics, Software and Analytics: What is the Landscape? 5-minute statement per company. Questions asked of participating companies. Q&A	Auris, Promaxo, Colubris, Restoration robotics, Mazor, Activ Surgical, SS Innovations China, Ptientcomp, Mytonomy, Crescent Group
11:00- 11:15am	FDA and Regulatory Considerations and Innovation Pathways	Anjali Kataria, Former EIR and Sr. Technology Advisor at CDRH, FDA and The Executive Office of the President (Obama Administration)
11:15- 11:30am	IP Landscape and Investment Considerations	Babak Tehranchi, Patent Attorney
11:30am- 11:45am	Future Directions in Navigation and Robotics	Chetan Patel, MD

		Fmr. Chairman of the North American Spine Society's Robotics & Navigation Section
11:45am-12:15pm	Moderated Panel: Payors and Providers: Evaluating Impact and Value of Medical Robotics	Uma Duvvuri, MD, Nik Shah MD, Pete Carnegie
12:15pm-12:45pm	Moderated Panel: Surgeon Perspectives: What's the next frontier in creating clinical and economic value? Emerging Procedural Areas in Robotics	V. Patel, Martin Martino, Eduardo Parra Davila
12:45pm-1:15pm	Moderated Panel: Surgeon Perspectives: What's the next frontier in creating clinical and economic value? Emerging Procedural Areas in Robotics	Uma Duvvuri, Inderpal Sarkaria, Daniel Kim, Pasquale Casale
