

THORACIC

Friday, June 21, 2019	
13:00 – 17:00	FROM PORT PLACEMENT TO SKIN CLOSURE VIDEO BASED LECTURE SERIES: STEP BY STEP GUIDE TO ROBOTIC THORACIC PROCEDURES BY INTERNATIONALLY RENOWNED FACULTY General and Esophageal Session <i>Moderators: Zhigang Li, Sid Murthy and Inderpal Sarkaria</i>
13:00 – 13:10	Welcome <i>Presented by Farid Gharagozloo and Abbas Abbas</i>
13:10 – 13:20	Is it Financially Feasible to start a Robotic Thoracic Program? <i>Presented by Abbas Abbas</i>
13:20 – 13:30	How do I transition to robotic surgery? Step by Step Guide <i>Presented by Peter Carnegie CEO MIS</i>
13:30 – 13:40	Best practices for credentialing in robotic surgery <i>Presented by Jeff Levy</i>
13:40 – 13:50	OR efficiency, Lean Process, ERAS: How to Build a Robust Robotic Thoracic Program <i>Presented by Mark Dylewski</i>
13:50 – 14:00	Robotic Instruments and Technology <i>Presented by Mike Zervos</i>
14:00 – 14:10	Robotic Thoracic Surgery in South America: Past, Present and Future <i>Presented by Ricardo Mingarini Terra, MD</i>
14:10 – 14:40	Debate: POEM vs HELLER MYOTOMY
14:10 – 14:20	POEM is the preferred approach for Achalasia <i>Presented by Roman Petrov</i>
14:20 – 14:30	Robotic Heller Myotomy is the preferred approach for Achalasia <i>Presented by Faiz Bhora</i>
14:30 – 14:40	Discussion/Audience Voting/Jury Decision
14:40 – 15:00	BREAK
15:00 – 16:30	Esophageal Session II <i>Moderators: Luis Herrera, Harmik Soukiasian, Lana Schumacher</i>
15:00 – 15:10	How do I do it: Robotic Heller myotomy <i>Presented by Farid Gharagozloo</i>
15:10 – 15:20	Robotic Diverticulectomy and Removal of Esophageal GIST <i>Presented by Ghulam Abbas</i>
15:20 – 15:30	Robotic Repair of Giant Paraesophageal Hernia <i>Presented by Sid Murthy</i>
15:30 – 15:45	Robotic Ivor Lewis Esophagectomy <i>Presented by Inderpal Sarkaria</i>
15:45 – 16:00	Robotic McKeown Esophagectomy <i>Presented by Abbas Abbas</i>

THORACIC

16:00 – 16:15	Robotic Esophagectomy: Chinese Experience and Techniques <i>Presented by Zhigang Li</i>
16:15 – 16:30	Discussion
Saturday, June 22, 2019	
8:00 – 16:00	Thoracic Program: Day 2 <i>Moderators: Inderpal Sarkaria, Faiz Bhora and Mark Dylewski</i>
8:00 – 8:05	Welcome and Updates <i>Presented by Inderpal Sarkaria</i>
8:05 – 8:20	Robotic First Rib Resection: Indication, Work Up & Techniques <i>Presented by Laurence Spier</i>
8:20 – 8:35	Robotic Thymectomy: Techniques and Outcome <i>Presented by Jens Ruckert</i>
8:35 – 8:50	Robotic Chest Wall Resection & Reconstruction <i>Presented by Laurence Spier</i>
8:50 – 9:00	Robotic Endoluminal Interventions: Present & Future <i>Presented by Luis Herrera</i>
9:00 – 9:10	Discussion
9:10 – 9:20	Break
Lobectomy Section Moderators: Ricardo Terra, Jens Ruckert, Lana Schumacker	
9:20 – 9:35	Robotic Right Upper Lobectomy <i>Presented by Inderpal Sarkaria</i>
9:35 – 9:50	Robotic Lower Lobectomy <i>Presented by Guilia Vernosi</i>
9:50 – 10:05	Robotic Right Bilobectomy <i>Presented by Mark Dylewski</i>
10:05 – 10:20	Robotic Left Upper Lobectomy <i>Presented by Luis Herrera</i>
10:20 – 10:35	Robotic Sleeve Lobectomy <i>Presented by Abbas Abbas</i>
10:35 – 10:50	Robotic Pneumonectomy <i>Presented by Richard Lazzaro</i>
10:50 – 11:05	Robotic vs VATS Anatomical Lung Resection: Is One Approach better than the other? <i>Presented by Guilia Veronesi</i>
11:05 – 11:20	Discussion
11:20 – 12:50	LUNCH
11:20 – 12:50	RTSEG Working Lunch Meeting President: Farid Gharagozloo

THORACIC

Segmentectomy Session

Moderators: Abbas Abbas, Farid Gharagozloo, Guilia Vernosi

Debate on segmentectomy vs Lobectomy for Stage 1A NSCLC

13:00 – 13:10	Lobectomy remains the standard of care for stage 1A NSCLC <i>Presented by Sid Murthy</i>
13:10 – 13:20	Segmentectomy is the preferred approach for stage 1A NSCLC <i>Presented by Ghulam Abbas</i>
13:20 – 13:30	Discussion/Voting
13:30 – 13:45	Robotic Right Upper Lobe Segmentectomy <i>Presented by Ghulam Abbas</i>
13:45 – 14:00	Robotic Left Upper Lobe Segmentectomy <i>Presented by Mike Zervos</i>
14:00 – 14:15	Robotic Lower Lobe Segmentectomy <i>Presented by Lana Schumacher</i>
14:15 – 14:30	Discussion
14:30 – 15:00	Break
<i>Moderators: Mike Zervos, Mark Dylewski, Inderpal Sarkaria</i>	
15:00 – 15:15	Robotic Tracheobronchoplasty <i>Presented by Richard Lazzaro</i>
15:15 – 15:30	Robotic Diaphragmatic Plication: Abdominal Approach <i>Presented by Roman Petrov</i>
15:30 – 15:45	Robotic Diaphragmatic Plication: Thoracic Approach <i>Presented by Harmik Soukiasian</i>
15:45 – 16:00	Robotic Incision of Median Arcuate Ligament for MALS <i>Presented by Ghulam Abbas</i>
16:00 – 16:10	Discussion
	Closing Comments
