

MEMBERSHIP APPLICATION

Society of Robotic Surgery

www.srobotics.org

The purpose of the society is the promotion of scientific activities, educational/training activities in robotic surgery, the organization and implementation of scientific meetings and presentations, as well as the recognition of excellence in the area of robotic surgery. Any board certified surgeon or scientist and professional (including industrial, educational, etc.) in the field of robotics surgery or scientific aspects of robotic surgery (including allied professional fields) may join the society.

Membership Categories

ACTIVE MEMBERSHIP \$250.00 USD (Annual Dues / Application Fee)

Any surgeon with an unlimited license to practice medicine and surgery in the State, Province, or Country of the applicant's practice. A subscription to the *Journal of Robotic Surgery* is optional for additional cost in all categories of membership.

ASSOCIATE MEMBERSHIP \$250.00 USD (Annual Dues / Application Fee)

Physicians, nurses, engineers, and healthcare professionals other than surgeons admitted as Active Members as determined by the Board of Directors. A subscription to the *Journal of Robotic Surgery* is optional for additional cost in all categories of membership.

TRAINEE MEMBERSHIP Fees Waived

Individuals actively enrolled in dedicated training programs in which robotic interventions form a part of the core curriculum. Candidate status may be maintained for up to two (2) years following completion of training and board certification. A subscription to the *Journal of Robotic Surgery* is optional for additional cost in all categories of membership.
